### TITLE.

This institution shall be known by the name, style and title of "THE MILITARY ORDER OF THE LOYAL LEGION OF THE UNITED STATES."

### PRINCIPLES.

This Order acknowledges as its fundamental principles : —

1. A firm belief and trust in Almighty God ; extolling Him under whose beneficent guidance the sovereignty and integrity of the Union have been maintained — the honor of the Flag vindicated — and the blessings of Civil Liberty secured, established and enlarged.

2. True allegiance to the United States of America ; based upon a paramount respect for, and

fidelity to, the National Constitution and Laws ; manifested by the discountenancing of whatever may tend to weaken loyalty, incite to insurrection, treason or rebellion, or in any manner impair the efficiency and permanency of our free institutions.

### OBJECTS.

The Objects of this Order shall be to cherish the memories and associations of the war waged in defence of the unity and indivisibility of the Republic ; to strengthen the ties of fraternal fellowship and sympathy formed from companionship-in-arms ; to advance the best interests of the soldiers and sailors of the United States, especially of those associated as members of this Order, and to extend all possible relief to their widows and children ; to foster the cultivation of Military and Naval Science ; to enforce unqualified allegiance to the General Government ; to protect the rights and liberties of American citizenship, and to maintain National Honor, Union and Independence.

## ORGANIZATION.

The several constituted bodies of this Order shall be designated as *Commanderies*, and shall consist of:—

1. *State* Commanderies, to be known as "Commandery of the State of ———."
2. A *National* Commandery, to be known as "Commandery-in-chief."

## MEMBERS.

The Members, or *Companions* of this Order, shall be of three (3) classes:—

1. Commissioned officers of the United States Army, Navy and Marine Corps, — Regular and Volunteer, — who have been actually engaged in the suppression of the Rebellion.

2. The eldest male lineal descendants of Companions of the First (1st) Class; and in default of such issue, then of their collateral branches in the order of genealogical succession.

3. Gentlemen in civil life, who during the late Rebellion have been specially distinguished for conspicuous and consistent loyalty to the National Government, and who have been active and eminent in maintaining the supremacy of the same.

SECT. 2. — The Companions of the Third (3d) Class shall not be liable for fees or dues. In consequence of which remission they shall not be entitled to vote at any meeting, or be eligible to any office of the Order; *unless* they elect to accept the financial obligations of Companions of the First (1st) and Second (2d) Classes.

#### RELIEF.
